Boulevard Brewing Company

It's time for your employees to shine! We know your company is filled with employees who rock at their day jobs, but what about when they're off the clock? Select a star-in-the making from your company to take the stage at the Seventh Annual KC's Got Talent – a benefit for Women's Employment Network (WEN).

Find an employee ready to unleash their hidden talent – singing, dancing, ventriloquism, comedy, juggling, magic or some other amazing talent – to an adoring crowd or simply come cheer on others at this one-of-a-kind event for a great cause! Proceeds from Kansas City's Got Talent help ensure that Women's Employment Network continues its vital mission to help women – and the children and families who depend on them – achieve economic independence.

About WEN Since 1986, WEN has been a leader in providing employment preparation and career transition services to women throughout the metropolitan area. Each year, WEN works with over 700 women, 75% of them live below the federal poverty level. WEN offers job search training and resources, individualized coaching, financial coaching and education, professional case management, and other services to help women obtain economic independence through sustained employment. Visit WEN's website at kcwen.org to learn more.

Celebrity Judges and Spectacular Prizes! KC's Got Talent is an event unlike any other, where a dozen area corporations compete to take home the KC's Got Talent trophy and fabulous prizes. Each company/sponsor sends one act to represent them in a five-

minute performance. Local celebrity judges and the audience--a veritable who's who of our city's top businesses-- help choose the winners. A wide selection of Boulevard beers, wine and heavy hors d'oeuvres will be provided.
