AT A GLANCE

The Financial Opportunity Centers are improving lives across the country and in the greater Kansas City area.

NATIONAL
RESULTS
TO DATE

OVER
70

LISC supports over 70 Financial Opportunity Centers in **30 cities**.

IN 2012
4,000

people found employment, **2,800** obtained public benefits and **7,800** established budgets to help them plan for the future.

OVER
75%

of the clients who have subsequent meetings with their financial coach achieve at least one **key financial outcome** (increase in net income, credit score or net worth).

OVER
\$29 million

Overall, LISC has raised over \$29 million in public and private funds to create the Financial Opportunity Centers.
